

## Before and After School Tuition Schedule

Monthly tuition is based on **\$9.75** per hour for children who attend more than 25 hours per week and **\$10.50** per hour for children who attend 5-25 hours per week. If you are enrolling more than one child, you may add the total number of enrolled hours per week together to determine monthly tuition. **There is a 20% discount on tuition rates for families with two or more children attending.**

### Holiday Tuition

Tuition is based on the full school year (approximately 180 teaching days) and does not include holiday tuition. We operate on most school holidays and during the summer at selected sites. Tuition for holidays and summer, if your child attends on any or all of these days, is separate from the regular monthly tuition. Holiday tuition is based on **\$9.55** per hour for full-day (more than six hours per day) or **\$10.00** per hour for half-day (six or fewer hours per day). For convenience, regular monthly tuition may be paid in monthly installments. These installments are based on the average number of teaching days in each billing period rather than on the exact number of days in a particular period. While some months have fewer teaching days than others, such as months with holidays, others have more teaching days. There is an \$85 enrollment fee. Please see the Parent Agreement for tuition due dates and further explanation. Enrollment on holidays is limited and is on a first-come first-served basis. Holiday sign-up sheets are available in our classroom. Sign-up forms for the Winter and Spring Recesses will be mailed in advance to all parents with active accounts.

### Drop-In Program

We have a drop-in service which is available to families enrolled in our program. In unexpected situations, your child may stay in our program extra time. The charge for this service is **\$12.00** per hour. There is a 20% discount for families with two or more children using the drop-in program at the same time. To use the drop-in program, please complete a "Drop-In Request" form and leave it in the manila envelope on the Parent Bulletin Board in our classroom. Any time a child attends Adventure Time beyond the regularly scheduled time, that time must be paid for at the drop-in rate. Charges for this time will be computed in quarter hour increments. We will add drop-in charges to your monthly statement. We are unable to trade scheduled hours for unscheduled hours.

Oakland, Castro Valley, Fremont

2021-2022 School Year

When totaling weekly hours for the purpose of computing the regular monthly tuition, rounding is used. (Example: 20 hours and 15 minutes rounds down to twenty hours per week. 20 hours and 25 minutes or more rounds up to 21 hours per week.) Before school attendance must begin on the hour, half-hour, or quarter-hour. After school attendance begins when school is dismissed and must end on the hour, half-hour, or quarter-hour. If more than one child is enrolled, add enrolled hours for all children before rounding.
